

Roma Revolving

This legendary exclusive revolving restaurant officially opened in 29 September 1972.

The Roma was born from a concept pioneered by Bartholomeo Ribero, Comiso Turi and Gino Leopardi.

Now proudly owned by Reelin Group, we are proud to say that we are the only genuine revolving restaurant in the southern hemisphere and the 3rd of its kind in the world.

It also boasts the unique feature, as two others do, a revolving window and floor area.

The restaurant is situated on the 32nd floor of John Ross House overlooking the City of Durban with excellent Sea and bay views.

We have a speed control mechanism allowing a revolution of anything between 60 and 90 minutes.

We are fully licensed and specialised in traditional Italian cuisine. Our delicacies include continental dishes, seafood and fresh game dishes.

In addition the Roma boasts its latest innovation to having a Sky bar located on the 33rd floor, a truly one and only type of venue in South Africa, and a conference and function venue located on the 31st floor. These venues are also available for private hire and corporate parties.
